GUI Elements

Graphical User Interface

GUI

The graphical user interface, or GUI is a form of user interface that allows users to interact with electronic devices through icons, or other graphical elements.

```
let button;
```

```
button = createButton('Click me');
```

```
button.mousePressed(myFunction);
```

```
function buttonPressed() {  
    print('Button clicked!');  
}
```

```
let slider;
```

```
slider = createSlider(0, 100, 50);
```

```
let sliderValue = slider.value();
```

```
text(sliderValue, 10, 20);
```

```
let textInput;
```

```
input = createInput('Enter text');
```

```
let myInputValue = input.value();
```

```
text(myInputValue);
```
